HOW TO ORDER:
1. Once the project has been finished, download and save the generated PDF file.
2. Contact your usual distributor to request an offer, specifying the reference code provided within the above PDF. Multiple references of finished projects may be included in a sole request, and as many copies as desired.
3. Once the offer is received, you can send your order to your distributor.
4. Wait for the delivery in the date indicated in the offer from your distributor.
For any inquiries in relation to your orders please contact tmd-order@zennio.com.

VERY IMPORTANT: by marking a project as 'finished', the user expresses their approval of the final appearance of the design as shown in the PDF document. Projects are printed according to their final design. Please DO NOT send print orders of this project in case any substantial difference is found between the intended design and the resulting PDF file, and notify us through https://support.zennio.com.
